Source code

```
int main()
{
    int i = 10;
    int j = 5;

    int m = min(++i, ++j) // m = 6?
}
```

Compiled code

```
int main()
{
    int i = 10;
    int j = 5;

    int m = (++i) < (++j)? (++i) : (++j); // m = 7!
}
```

Doc: Cold monsters are defeated by gleaming and Soldier's weapons. The Order of the Forest team consists of ant, lynx, and wolf. Mysterious and shimmering weapons are good against lightning monsters. Poison monster are defeated by blessed and fanatical items. Get arcane and Grandmaster's weapons to slay fire monsters. Beetle, panther, and zombie are Star Alliance. Jackal, jaguar, and ghost are on the Rebel Enclave. Goal: Fight the monster in the Rebel Enclave.

Diagram showing class relationships:
